### **About the Centre for Health Systems and Policy Research (CHSPR)**

The Centre for Health Systems and Policy Research (CHSPR) is based at the Jockey Club School of Public Health and Primary Care, Faculty of Medicine, The Chinese University of Hong Kong. The Centre was established in 2019 with a generous donation from The Tung Foundation. It conducts cutting-edge research and policy analysis to improve health systems and population health outcomes in Hong Kong and beyond. The Centre approaches studies from a multidisciplinary perspective and with an inter-sectoral approach, connecting patients, healthcare professionals, healthcare providers, researchers and policymakers across jurisdictions in the search of new knowledge and emerging methods to address dynamic, changing themes in the complex area of health services delivery, aiming to improve the health of populations.
