### **Accounts from students who participated in the second Co-operative Education Programme (Co-op@CUHK)**

**Vivian Mok**, Year 5 student in Sociology  
Placement at: The Hong Kong Jockey Club

“Undertaking various roles within the Club’s Charities Department allowed me to put theoretical knowledge into practice. One notable highlight was managing the Philanthropy for Better Cities Forum together with the team. Winning a presentation award from the Club’s summer internship programme further motivated me to pursue a career in philanthropy and prepared me for future leadership roles.”

**Brandon Htet Thura Win**, Year 3 Integrated BBA student from Myanmar  
Placement at: Zung Fu Company Limited

“I was extremely fortunate to be able to work for such a dynamic company. I was involved in various company-wide projects. I enjoyed working closely with project managers and other colleagues. They were open to my research and analysis on different projects, and involved me into discussions about how to move projects forward. It was an enriching experience.”
