

有關是次與 APRU 的合作研究

是次研究與 APRU 全球健康項目主任、南加州大學凱克醫學院 **Melissa Withers** 教授合作進行。APRU (<https://apru.org/>) 由加州大學洛杉磯分校、柏克萊分校、加州理工學院和南加州大學的校長於 1997 年在洛杉磯成立，現有成員來自環太平洋地區超過 60 所領先研究型大學。中大是 APRU 的重要成員，校長段崇智教授為該協會副主席，黃至生教授和黃俊杰博士亦是 APRU 非傳染病全球健康工作小組聯席主席。

About the collaboration with APRU

This study is a collaboration with **Professor Melissa Withers**, the Director of the APRU Global Health Programme, Keck School of Medicine, University of Southern California. The APRU (<https://apru.org/>) was established in Los Angeles in 1997 by the presidents of UCLA, Berkeley, Caltech and the University of Southern California. It now has a membership of more than 60 leading research universities from around the Pacific Rim. CUHK is a key member of APRU, Vice-Chancellor and President Professor Rocky S. Tuan is the Association's Vice-Chair, and Professor Martin Wong Chi-sang and Dr Jason Huang Junjie are currently the Co-Chairs of the Non-Communicable Diseases (NCD) Global Health Working Group for the network.
